### **CultureFit Technology Staffing Becomes Newest Member of the American Staffing Association**

CultureFit Technology Staffing has joined the American Staffing Association, the trade organization that represents the \$61 billion U.S. staffing industry. Two million Americans go to work for U.S. staffing companies every business day.

"We want our employees, clients, and colleagues, current and future, to know that we are dedicated to providing the best staffing experience possible," says Adam Kooperman, Principal of CultureFit Technology Staffing. "Joining ASA demonstrates our commitment to legal, ethical, and professional practices."

ASA members provide a wide range of employment services and solutions. CultureFit Technology Staffing specializes in providing full service recruiting to any organization in need of technology professionals.

#### **About CultureFit Technology Staffing**

CultureFit Technology Staffing's mission is to simplify the hiring process for its clients while guiding its professionals through the entire job search process. We are committed to providing excellent customer service. We value our clients and our talent and work to synchronize their motivations in the staffing process.

#### **About the American Staffing Association**

The American Staffing Association promotes legal, ethical, and professional practices for the \$61 billion U.S. staffing industry. ASA members account for 85% of U.S. staffing industry sales and operate some 14,000 offices throughout the nation. Founded to promote flexible employment opportunities and ensure the quality of staffing services, ASA has been the voice of the U.S. staffing industry since 1966. ASA and its affiliated chapters promote the interests of the industry through legal and legislative advocacy, public relations, education, and the establishment of high standards of ethical conduct.
